A

abdominal aortic aneurysm

- abdominal aortic aneurysms: use of screening programs (*ed*), September 15, p. 1040
- diagnosis and treatment of abdominal aortic aneurysms (*article*), September 15, p. 1081

abortion

- different viewpoints on medical abortion (*let*), November 15, p. 1957
- medical abortion: a crossroads for family practice? (*ed*), August, p. 356
- medical abortion is not just a medical issue (*ed*), August, p. 351

acarbose

- new oral therapies for type 2 diabetes (*article*), November 1, p. 1835

addiction

- pathologic gambling: America's newest addiction? (*med soc*), October 1, p. 1293

adenoma

- pleomorphic adenoma of the parotid (*article*), July, p. 185

ADHD

- ADHD: the role of the family physician (*ed*), July, p. 42
- attention-deficit hyperactivity disorder: to treat or not (*let*), September 1, p. 734
- evaluating the hyperactive child in your office: is it ADHD? (*article*), July, p. 155

adolescents

- ADHD: the role of the family physician (*ed*), July, p. 42
- attention-deficit hyperactivity disorder: to treat or not (*let*), September 1, p. 734
- common cardiovascular problems in the young: part I. Murmurs, chest pain, syncope and irregular rhythms (*article*), November 1, p. 1825
- common cardiovascular problems in the young: part II. Hypertension, hypercholesterolemia and preparticipation screening of athletes (*article*), November 15, p. 1993
- evaluating the hyperactive child in your office: is it ADHD? (*article*), July, p. 155

AIDS

- AAP develops recommendations for the evaluation and treatment of HIV-exposed infants (*med rep*), December, p. 2351

- new era in HIV care (*ed*), July, p. 37
- prophylaxis of opportunistic infections in HIV/AIDS (*ed*), September 15, p. 1039

alcohol abuse

- naltrexone for the treatment of alcoholism (*article*), September 1, p. 803

allergies

- milk, eggs and peanuts: food allergies in children (*article*), October 1, p. 1365

aminoglycoside

- once-daily aminoglycoside dosing (*let*), July, p. 49

analgesia

- intrathecal narcotics for labor analgesia (*article*), August, p. 463
- optimizing postoperative pain management (*article*), September 1, p. 835
- twelve pitfalls of adequate pain control (*ed*), September 1, p. 726

anesthesia

- repairing lacerations in children (*let*), October 15, p. 1582

angina

- management of stable coronary artery disease (*article*), July, p. 99

angioplasty

- myocardial revascularization in 1997: angioplasty versus bypass surgery (*article*), October 1, p. 1409

anorexia nervosa

- mitral valve prolapse in patients with anorexia (*let*), July, p. 52

antibiotics

- antibiotics vs. resistant organisms arms race (*let*), November 1, p. 1724
- community-acquired pneumonia in adults: initial antibiotic therapy (*article*), August, p. 544
- once-daily aminoglycoside dosing (*let*), July, p. 49

antidepressants

- antidepressant withdrawal reactions (*article*), August, p. 455
- mirtazapine revisited (*let*), December, p. 2190

antihistamines

- drug interactions with the nonsedating antihistamines (*article*), July, p. 223

antihypertensive therapy

- low-dose combination therapy in hypertension (*ed*), October 1, p. 1275

antimicrobial drugs

- issues in the management of bacterial meningitis (*article*), October 1, p. 1355

antipsychotic drugs

- APA practice guideline for the treatment of patients with schizophrenia (*med rep*), September 15, p. 1217
- new drugs for schizophrenia: an update for family physicians (*article*), September 15, p. 1149

aortic dissection

- thrombolytic therapy in aortic dissection (*let*), September 1, p. 738

asthma

- chronic cough (*article*), October 1, p. 1395
- NAEPP guidelines: progress in asthma management (*ed*), August, p. 368
- NHLBI issues updated guidelines for the diagnosis and management of asthma (*med rep*), August, p. 621
- providing asthma education in primary care practice (*article*), July, p. 117
- salmeterol in the treatment of chronic asthma (*article*), August, p. 558

atherosclerosis

- homocysteine: a new risk factor for atherosclerosis (*article*), October 15, p. 1607

athletes

- common cardiovascular problems in the young: part II. Hypertension, hypercholesterolemia and preparticipation screening of athletes (*article*), November 15, p. 1993

atrial fibrillation

- preventing stroke in atrial fibrillation (*article*), December, p. 2242

B

back pain

- use of manipulation to treat low back pain (*let*), September 1, p. 741

bacterial meningitis

- issues in the management of bacterial meningitis (*article*), October 1, p. 1355

behavioral therapy

- behavioral and pharmacologic treatment of delirium (*article*), November 15, p. 2005

beta blockers

- drug treatment of migraine: part II. Preventive therapy (*article*), December, p. 2279

bioethics

- certification of death by family physicians (*article*), October 1, p. 1433
- death certificates: why it matters how your patient died (*ed*), October 1, p. 1287
- dying with dignity (*let*), July, p. 55

blood pressure

- evaluation and treatment of orthostatic hypotension (*article*), October 1, p. 1378

bronchitis

- chronic cough (*article*), October 1, p. 1395

bursitis

- upper extremity bursitis (*article*), November 1, p. 1797

bypass surgery

- myocardial revascularization in 1997: angioplasty versus bypass surgery (*article*), October 1, p. 1409

July through December, 1997

- dying with dignity (*let*), July, p. 55

blood pressure

- evaluation and treatment of orthostatic hypotension (*article*), October 1, p. 1378

bronchitis

- chronic cough (*article*), October 1, p. 1395

bursitis

- upper extremity bursitis (*article*), November 1, p. 1797

bypass surgery

- myocardial revascularization in 1997: angioplasty versus bypass surgery (*article*), October 1, p. 1409

C

cancer

ACP issues guidelines on the early detection of prostate cancer and screening for prostate cancer (*med rep*), October 15, p. 1674

ACS updates guidelines on screening for colorectal cancer (*med rep*), November 1, p. 1887

local treatment of rectal cancer (*article*), October 15, p. 1622

prostate cancer screening—what's a physician to do? (*ed*), October 15, p. 1563

cardiovascular disease

American College of Cardiology and American Heart Association address the use of echocardiography (*med rep*), October 1, p. 1489

common cardiovascular problems in the young: part I. Murmurs, chest pain, syncope and irregular rhythms (*article*), November 1, p. 1825

common cardiovascular problems in the young: part II. Hypertension, hypercholesterolemia and preparticipation screening of athletes (*article*), November 15, p. 1993

diagnosis and treatment of abdominal aortic aneurysms (*article*), September 15, p. 1081

evaluation and treatment of orthostatic hypotension (*article*), October 1, p. 1378

homocysteine: a new risk factor for atherosclerosis (*article*), October 15, p. 1607

homocysteine levels and cardiovascular disease (*ed*), October 15, p. 1568

myocardial revascularization in 1997: angioplasty versus bypass surgery (*article*), October 1, p. 1409

preventing stroke in atrial fibrillation (*article*), December, p. 2242

relative risk reduction for cardiovascular disease (*let*), September 15, p. 1062

spirometric findings and cardiovascular risk (*let*), September 15, p. 1071

surgical patients with heart disease: summary of ACC/AHA guidelines (*article*), September 1, p. 811

summary of ACC/AHA guidelines (*article*), September 1, p. 811

cataract

corneal scleral perforation following sigmoidoscopy (*let*), September 15, p. 1062

chest pain

common cardiovascular problems in the young: part I. Murmurs, chest pain, syncope and irregular rhythms (*article*), November 1, p. 1825

thrombolytic therapy in aortic dissection (*let*), September 1, p. 738

children

ADHD: the role of the family physician (*ed*), July, p. 42

common cardiovascular problems in the young: part I. Murmurs, chest pain, syncope and irregular rhythms (*article*), November 1, p. 1825

common cardiovascular problems in the young: part II. Hypertension, hypercholesterolemia and preparticipation screening of athletes (*article*), November 15, p. 1993

evaluating the hyperactive child in your office: is it ADHD? (*article*), July, p. 155

milk, eggs and peanuts: food allergies in children (*article*), October 1, p. 1365

Project Read—the importance of early learning Rx: read to your child (*med soc*), December, p. 2195

repairing lacerations in children (*let*), October 15, p. 1582

chronic cough

chronic cough (*article*), October 1, p. 1395

chronic illness

foot infections in patients with diabetes (*article*), July, p. 195

new oral therapies for type 2 diabetes (*article*), November 1, p. 1835

NAEPP guidelines: progress in asthma management (*ed*), August, p. 368

NHLBI issues updated guidelines for the diagnosis and management of asthma (*med rep*), August, p. 621

NIH develops consensus statement on interventions to prevent HIV risk behaviors (*med rep*), August, p. 623

opportunistic infections and psychosocial stress in HIV (*article*), July, p. 87

providing asthma education in primary care practice (*article*), July, p. 117

reducing the complications of type II diabetes: a patient-centered approach (*article*), August, p. 471

salmeterol in the treatment of chronic asthma (*article*), August, p. 558

type II diabetes: time for more aggressive therapy? (*ed*), August, p. 364

type II diabetes: time for more aggressive therapy? (*ed*), August, p. 364

chronic pain

three types of chronic pain (*let*), October 1, p. 1308

upper extremity bursitis (*article*), November 1, p. 1797

clozapine

new drugs for schizophrenia: an update for family physicians (*article*), September 15, p. 1149

colitis

transient ischemic colitis in young adults (*article*), September 15, p. 1103

colorectal cancer

ACS updates guidelines on screening for colorectal cancer (*med rep*), November 1, p. 1887

constipation

diagnostic imaging in the evaluation of constipation in adults (*article*), August, p. 513

coronary artery disease

management of stable coronary artery disease (*article*), July, p. 99

stable coronary artery disease: the family physician's approach (*ed*), July, p. 31

corrections

"Clinical Quiz," September 1, p. 747; November 1, p. 1728

dermatoses in newborns (*article*), November 15, p. 1970

"Diary from a Week in Practice," November 15, p. 1970

drug interactions: keeping it straight (*article*), November 1, p. 1728 and December, p. 2192

drug therapy for hypertension (*article*), November 1, p. 1728

pain relief after surgery (*pat info*), December, p. 2192

"Special Medical Reports," September 1, p. 747

"Tips from Other Journals," November 15, p. 1970

treating chronic pain (*article*), October 1, p. 1308

corticosteroids

antenatal corticosteroid therapy: beyond a shadow of a doubt (*ed*), September 15, p. 1053

use of antenatal corticosteroids for fetal maturation in preterm infants (*article*), September 15, p. 1093

counseling

counseling the infertile couple: when enough is enough (*let*), July, p. 50

D

deaf patients

issues to consider in deaf and hard-of-hearing patients (*article*), November 15, p. 2057

understanding deaf and hard-of-hearing patients (*ed*), November 15, p. 1953

death

certification of death by family physicians (*article*), October 1, p. 1433

death certificates: why it matters how your patient died (*ed*), October 1, p. 1287

dying with dignity (*let*), July, p. 55

deep venous thrombosis

diagnostic imaging of lower limb deep venous thrombosis (*article*), September 1, p. 791

delirium

behavioral and pharmacologic treatment of delirium (*article*), November 15, p. 2005

depression

antidepressant withdrawal reactions (*article*), August, p. 455

mirtazapine revisited (*let*), December, p. 2190

Index to Volume 56

dermatoses

dermatoses in newborns (*article*), August, p. 443

diabetes

ADA recommends a lower fasting glucose value in the diagnosis of diabetes mellitus (*med rep*), November 15, p. 2128
foot infections in patients with diabetes (*article*), July, p. 195
guidelines on the care of diabetic nephropathy, retinopathy and foot disease (*article*), November 15, p. 2021
new oral therapies for type 2 diabetes (*article*), November 1, p. 1835
reducing the complications of type II diabetes: a patient-centered approach (*article*), August, p. 471
type II diabetes: time for more aggressive therapy? (*ed*), August, p. 364

diagnostic imaging

American College of Cardiology and American Heart Association address the use of echocardiography (*med rep*), October 1, p. 1489
diagnostic imaging in the evaluation of constipation in adults (*article*), August, p. 513
diagnostic imaging of lower limb deep venous thrombosis (*article*), September 1, p. 791
hepatic hydrothorax: possible etiology of recurring pleural effusion (*article*), August, p. 523
stress and insufficiency fractures (*article*), July, p. 175

diarrhea

transient ischemic colitis in young adults (*article*), September 15, p. 1103

diet

nutrition during pregnancy (*article*), July, p. 205

digoxin

serum digoxin concentration: ten questions to ask (*article*), August, p. 495

drug interaction

drug-induced disorders (*article*), November 1, p. 1781
drug interactions: keeping it straight (*article*), September 1, p. 883
drug interactions with the nonsedating antihistamines (*article*), July, p. 223
monitoring for adverse drug events (*ed*), November 1, p. 1718

drug labeling

prescription to over-the-counter drug switches (*FDA*), September 15, p. 1211

drug resistance

antibiotics vs. resistant organisms arms race (*let*), November 1, p. 1724
issues in the management of bacterial meningitis (*article*), October 1, p. 1355

E

echocardiography

American College of Cardiology and American Heart Association address the use of echocardiography (*med rep*), October 1, p. 1489

elderly

changing approach to falls in the elderly (*article*), November 1, p. 1815

emergency medicine

emergency medicine and family physicians (*let*), August, p. 382

epilepsy

epilepsy in pregnancy (*article*), October 15, p. 1631

Epstein-Barr virus

Epstein-Barr virus infection in infants and their mothers (*let*), August, p. 380

erectile dysfunction

goal-directed therapy for erectile dysfunction (*let*), August, p. 379

Escherichia coli strain O157:H7

enterohemorrhagic *Escherichia coli* O157:H7—an emerging pathogen (*article*), September 1, p. 853

eye

corneal scleral perforation following sigmoidoscopy (*let*), September 15, p. 1062

F

falls

changing approach to falls in the elderly (*article*), November 1, p. 1815

family practice

certification of death by family physicians (*article*), October 1, p. 1433
death certificates: why it matters how your patient died (*ed*), October 1, p. 1287
Dr. Smith goes to Washington: 10 tips for effective lobbying (*res stu voice*), July, p. 291
embodiments of a 50-year search for excellence (*ed*), September 1, p. 714
emergency medicine and family physicians (*let*), August, p. 382
falling forward (*res stu voice*), July, p. 291
family practice: birth and development of a specialty (*ed*), September 1, p. 725
GP is back (*ed*), September 1, p. 713
issues to consider in deaf and hard-of-hearing patients (*article*), November 15, p. 2057
medical abortion: a crossroads for family practice? (*ed*), August, p. 356
medical abortion is not just a medical issue (*ed*), August, p. 351
stable coronary artery disease: the family physician's approach (*ed*), July, p. 31
understanding deaf and hard-of-hearing patients (*ed*), November 15, p. 1953

fetal maturation

antenatal corticosteroid therapy: beyond a shadow of a doubt (*ed*), September 15, p. 1053
use of antenatal corticosteroids for fetal maturation in preterm infants (*article*), September 15, p. 1093

fetal surveillance

practical guidelines for antepartum fetal surveillance (*article*), November 15, p. 1981

food allergies

milk, eggs and peanuts: food allergies in children (*article*), October 1, p. 1365

foot disease

guidelines on the care of diabetic nephropathy, retinopathy and foot disease (*article*), November 15, p. 2021

foot infections

foot infections in patients with diabetes (*article*), July, p. 195

folic acid

homocysteine: a new risk factor for atherosclerosis (*article*), October 15, p. 1607

fractures

stress and insufficiency fractures (*article*), July, p. 175

G

gambling

pathologic gambling: America's newest addiction? (*med soc*), October 1, p. 1293

gastroesophageal reflux

chronic cough (*article*), October 1, p. 1395

giardiasis

pets and parasites (*article*), November 1, p. 1763

group A streptococcus

necrotizing fasciitis: a diagnostic challenge (*article*), July, p. 145

group B streptococcus

AAP issues revised guidelines for the prevention of early-onset group B streptococcal infection (*med rep*), September 1, p. 961

H

haloperidol

behavioral and pharmacologic treatment of delirium (*article*), November 15, p. 2005

hand

nail gun injuries of the hand (*article*), October 15, p. 1643

hard-of-hearing

issues to consider in deaf and hard-of-hearing patients (*article*), November 15, p. 2057
understanding deaf and hard-of-hearing patients (*ed*), November 15, p. 1953

headache

drug treatment of migraine: part I. Acute therapy and drug-rebound headache (*article*), November 15, p. 2039

drug treatment of migraine: part II. Preventive therapy (*article*), December, p. 2279

health care

embodiments of a 50-year search for excellence (*ed*), September 1, p. 714
family practice: birth and development of a specialty (*ed*), September 1, p. 725
GP is back (*ed*), September 1, p. 713
medical abortion: a crossroads for family practice? (*ed*), August, p. 356
medical abortion is not just a medical issue (*ed*), August, p. 351
new models of health care in the home and in the work site (*med soc*), August, p. 384
occupational infections in health care workers: prevention and intervention (*article*), December, p. 2291

health maintenance

NAEPP guidelines: progress in asthma management (*ed*), August, p. 368
new models of health care in the home and in the work site (*med soc*), August, p. 384
NHLBI issues updated guidelines for the diagnosis and management of asthma (*med rep*), August, p. 621

hearing impaired

issues to consider in deaf and hard-of-hearing patients (*article*), November 15, p. 2057
understanding deaf and hard-of-hearing patients (*ed*), November 15, p. 1953

heart disease

American College of Cardiology and American Heart Association address the use of echocardiography (*med rep*), October 1, p. 1489
management of stable coronary artery disease (*article*), July, p. 99
serum digoxin concentration: ten questions to ask (*article*), August, p. 495
stable coronary artery disease: the family physician's approach (*ed*), July, p. 31
surgical patients with heart disease: summary of the ACC/AHA guidelines (*article*), September 1, p. 811

height

weight and height as screening measures for adults (*let*), September 15, p. 1068

hemorrhage

identifying causes of postpartum hemorrhage (*let*), September 1, p. 737

hepatic hydrothorax

hepatic hydrothorax: possible etiology of recurring pleural effusion (*article*), August, p. 523

hepatitis

NIH consensus development conference targets prevention and management of hepatitis C (*med rep*), September 1, p. 959
occupational infections in health care workers: prevention and intervention (*article*), December, p. 2291

HIV

AAP develops recommendations for the evaluation and treatment of HIV-exposed infants (*med rep*), December, p. 2351
HIV management update (*let*), December, p. 2186
new era in HIV care (*ed*), July, p. 37
NIH develops consensus statement on interventions to prevent HIV risk behaviors (*med rep*), August, p. 623
occupational infections in health care workers: prevention and intervention (*article*), December, p. 2291
opportunistic infections and psychosocial stress in HIV (*article*), July, p. 87
prophylaxis after HIV exposure (*let*), October 15, p. 1574
prophylaxis of opportunistic infections in HIV/AIDS (*ed*), September 15, p. 1039
1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part I. Prevention of exposure (*article*), September 1, p. 823
1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part II. Prevention of first episode of disease (*article*), September 15, p. 1131
1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part III. Prevention of disease recurrence (*article*), October 1, p. 1387

homocysteine

homocysteine: a new risk factor for atherosclerosis (*article*), October 15, p. 1607
homocysteine levels and cardiovascular disease (*ed*), October 15, p. 1568

hypercholesterolemia

common cardiovascular problems in the young: part II. Hypertension, hypercholesterolemia and preparticipation screening of athletes (*article*), November 15, p. 1993

hypercoagulation

evaluation of recurrent thrombosis and hypercoagulability (*article*), October 15, p. 1591

hypertension

common cardiovascular problems in the young: part II. Hypertension, hypercholesterolemia and preparticipation screening of athletes (*article*), November 15, p. 1993
low-dose combination therapy in hypertension (*ed*), October 1, p. 1275
obstructive sleep apnea and secondary hypertension (*let*), November 1, p. 1728

hypotension

evaluation and treatment of orthostatic hypotension (*article*), October 1, p. 1378

hysterectomy

appropriate use of hysterectomy (*let*), September 15, p. 1064

I

immunization

advisory committee on immunization practices issues recommendations for the 1997-98 influenza season (*med rep*), July, p. 279
immunizations: current recommendations (*article*), September 1, p. 865

impotence

goal-directed therapy for erectile dysfunction (*let*), August, p. 379

incontinence

AUA releases treatment guidelines for female stress urinary incontinence (*med rep*), November 1, p. 1891

infants

AAP develops recommendations for the evaluation and treatment of HIV-exposed infants (*med rep*), December, p. 2351
AAP issues revised guidelines for the prevention of early-onset group B streptococcal infection (*med rep*), September 1, p. 961
